THE ULTIMATE
LASER
ADVENTURE**

WHAT IS LASERQUEST?

The ultimate sci-fi action adventure for all ages. Whether you're 7 or 77 you'll love the adrenaline-pumping exhilaration of stalking your opponents and unleashing a volley of laser fire in the battlezone of the 21st century.

RESPECT

Laser Quest is completely safe. Please observe the game safety rules displayed in the foyer and outlined during the briefing. We advise dark, casual, comfortable clothes and flat shoes with a sole that grips.

PLAYTIME

Each game session lasts for 20 minutes with up to 20 players. We provide a full briefing and all the equipment you need.

Each player wears a futuristic body pack and carries a laser, with each game played out in our 4000 square foot arena, with catwalks, mazes, swirling fog, music and lights.

Choose any one of our many game formats with points scored by zapping other players. Games range from simple solo or team games to complex base games and advanced teams.

WHAT'S THE SCORE?

Scores are displayed at the end of each game on score monitors with each player receiving a personalised score card.

WHAT'S THE DAMAGE?

Please checkout our website www.lquk.com for latest prices. We have generous discounts for extra games and group rates are also available. For the perfect celebration ask about our party packages and party zone.
